

**Don't put off until tomorrow
what you *can afford* to do today!**

- Do you need networking or power outlets for your computer, TV or phone, or surge protection for computers and appliances?
- Have you thought about enhancing your home, business or rental property with additional lighting, more convenient outlets, dimmer switches or ceiling fans?
- Are you thinking about enjoying the outdoors with underground wiring, patio lighting, outdoor fixtures or security lighting?
- Are you always changing fuses? Thinking about a general upgrade in electrical service before the peak load of summer hits?

Now is the time
